

# Reduced Weight Half Size Cart

P/N: TH0003-A01

Reduced weight carts are made of high-grade aluminum alloy extrusions and sheets, stainless steel hardware, with approved insulation foams that satisfy all fire property requirements.

Conventional carts have been proven for decades. Such carts are still the most popular ones in use onboard as meal and beverage carts by most airlines worldwide.

ATLAS, KSSU, ACE or customized configurations are available.

### Reduced Weight Half Size Carts:
